Supporter Prospectus

VIS 2017
ieeevis.org

IEEE Visual Analytics Science & Technology Conference (VAST)
IEEE Information Visualization Conference (InfoVis)
IEEE Scientific Visualization Conference (SciVis)

Hyatt Regency
Phoenix, Arizona

Conference Dates
1-6 October 2017

Exhibit Dates
3-5 October 2017

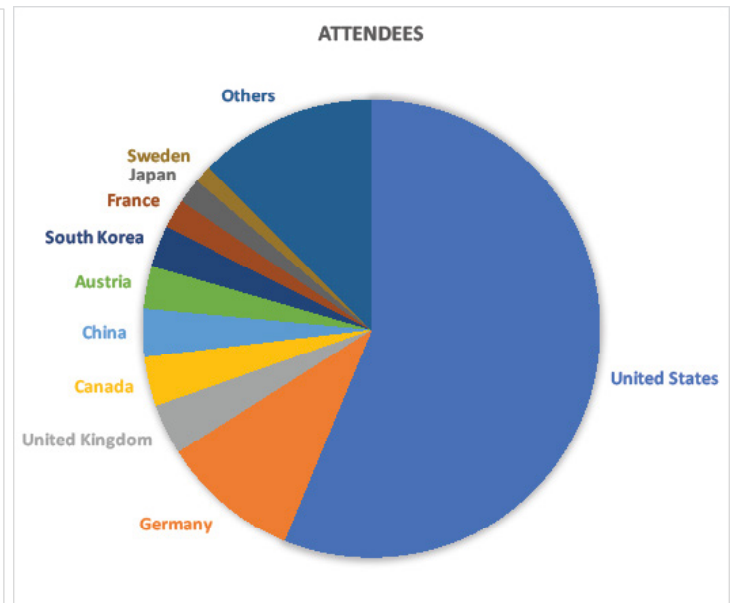

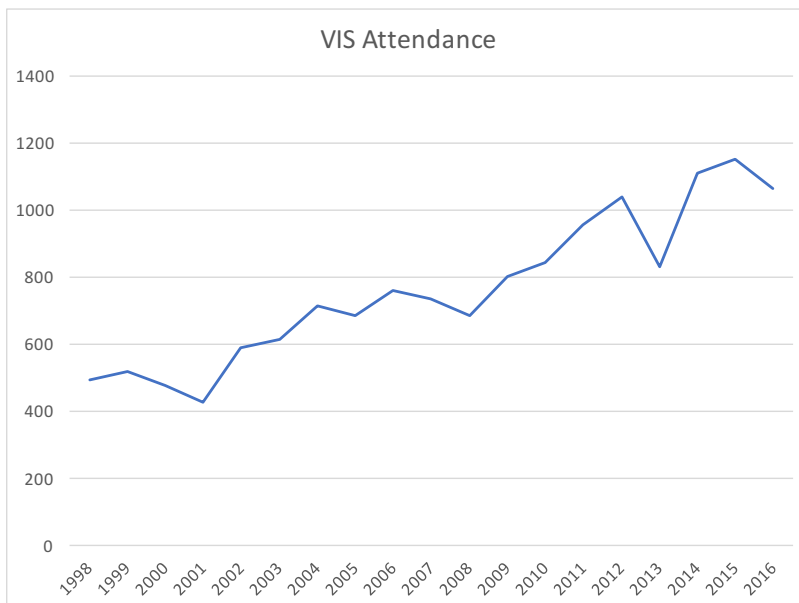

IEEE VIS 2017 provides the premier forum for advances in scientific and information visualization in academia, science, government, and industry. A full complement of research presentations, tutorials, symposiums, workshops, panels, demonstrations, posters, and exhibitions make this conference one of the largest and most important gatherings researchers and professionals who specialize in the visual analysis of data. We invite you to support IEEE VIS 2017.

We invite you to participate in IEEE VIS 2017 by supporting and exhibiting at the conference. For VIS 2017, conference participants will be given the opportunity to upload their CVs, schedules, and other details that will be shared among interested supporters recruiting for staff, postdocs, and/or summer interns. Gold supporters and above will receive detailed information about these conference participants. Diamond and Platinum supporters will have an interview room available to meet with conference participants.

Why Support and Exhibit at IEEE VIS 2017

- Meet over 1,000 conference participants – potential customers and collaborators – leading researchers from government, industry, and academia from around the world that specialize in visual data representation and analysis.
- Gain first hand access to highly talented and skilled individuals for recruitment into your product development and research teams. Many of the conference participants are job seeking senior doctoral candidates and postdoctoral research fellows.
- Increase visibility among conference attendees with a job fare exhibit. The 2017 exhibits will be held in high traffic areas to maximize the interaction between supporters and attendees. An exhibit gives the opportunity to promote your company through print, presentation, media, and personal contact.
- In addition to weeklong exhibit space, platinum and diamond supporters and above will have a time slot to present their technologies and research in the official conference supporter track.
- Promote your company in the official conference materials. With your approval, your company name, logo, and website will be included in the conference proceedings, final program, and conference website.
- Receive complimentary or reduced conference registrations enabling your company to reach potential customers and recruit potential candidates.

IEEE VIS 2016 CONFERENCE STATISTICS

Symposia & Workshops

In addition to the main conference four events, the IEEE Conference for Visual Analytics for Science and Technology (VAST), the IEEE Information Visualization Conference (InfoVis), the IEEE Scientific Visualization Conference (SciVis), and the IEEE Workshop on Visual Analytics in Healthcare (VAHC) will be jointly held with IEEE VIS. These events bring together researchers and practitioners in the visualization field with a shared interest in tools, techniques, and technology.

IEEE Symposium on LargeScale Data Analysis and Visualization (LDAV)

ldav.org

The IEEE Symposium on LargeScale Data Analysis and Visualization (LDAV) brings together domain scientists, data analytics and visualization researchers, High Performance Computing (HPC) specialists, and database technology providers, fostering innovative solutions to problems unique to extremely large scale data.

IEEE Symposium on Visualization for Cyber Security (VizSec)

vizsec.org

The IEEE Symposium on Visualization for Cyber Security (VizSec) brings together researchers and practitioners from academia, government, and industry to address the needs of the cybersecurity community to foster greater exchange and new collaborations on a broad range of security and privacy related topics.

IEEE Symposium on Visualization in Data Science (VDS)

visualdatascience.org

The IEEE Symposium on Visualization in Data Science (VDS) brings together practitioners and researchers in data science and visualization to discuss practical issues and identify open research problems in the field of Data Science, the practice of deriving insight from data at the intersection of statistical methodology, computer science and a scientific domain.

IEEE Workshop on Visual Analytics in Healthcare (VAHC)

visualanalyticshealthcare.org

The IEEE Workshop on Visual Analytics in Healthcare (VAHC) brings together medical experts, practitioners, and researchers in visual analytics to discuss state-of-the-art data visualization techniques, review how such techniques can be applied to healthcare data, and discuss the areas of healthcare that need more attention from the visualization and visual data mining communities.

Level of Support

DIAMOND

\$15,000

or greater

- Four (4) complimentary full week registrations (includes reception and banquet tickets).
- Company name, logo, and URL will be listed as a Diamond supporter in conference announcements, program, and website maintained at <http://ieevis.org>.
- Acknowledgement of your company's support and offer of thanks at the opening and closing sessions of the conference.
- Complimentary exhibition space size of 3 exhibition units.
- Enhanced signage throughout the conference directing attendees to your exhibit.
- Opportunity to be the named supporter of the evening banquet, which will be determined on a first come, first served basis.
- A time slot to present company technology and research in the supporter track.
- List of participants interested in new job opportunities plus candidates' schedule at VIS (e.g. talk or poster number) and copies of CVs.
- Priority access to the interview room.
- Direct point-of-contact and coordination with the Supporters Chairs for your exhibit.
- All of the above benefits are optional. Supporters are free to select any or none of the listed benefits.

Each exhibition unit includes:

10 feet x 10 feet (3 meters x 3 meters) floor space

One (1) table and two (2) chairs

One (1) 500-Watt electrical outlet

Wireless Internet access

Level of Support

PLATINUM

\$10,000

- Three (3) complimentary fullweek registrations (includes reception and banquet tickets).
- Company name, logo, and URL will be listed as a Platinum supporter in conference announcements, program, and website maintained at <http://www.ieeevis.org>.
- Acknowledgement of your company's contribution and offer of thanks at the opening and closing sessions of the conference.
- Complimentary exhibition space size of 2 exhibition units.
- Opportunity to be the named supporter of a morning or afternoon break, which will be determined on a firstcome, firstserved basis.
- A time slot to present company technology & research in the official supporter track.
- List of participants interested in new job opportunities plus candidates' schedule at VIS (e.g. talk or poster number) and copies of CVs.
- Access to the interview room.
- Direct point-of-contact and coordination with the Supporters Chairs for your exhibit.
- All of the above benefits are optional. Supporters are free to select any or none of the listed benefits.

Each exhibition unit includes:

10 feet x 10 feet (3 meters x 3 meters) floor space

One (1) table and two (2) chairs

One (1) 500-Watt electrical outlet

Wireless Internet access

Level of Support

GOLD

\$6,000

- Two (2) complimentary fullweek registrations (includes reception and banquet tickets).
- Company name, logo, and URL will be listed as a Gold supporter in conference announcements, program, and website maintained at <http://www.ieeevis.org>.
- Acknowledgement of your company's contribution and offer of thanks at the opening and closing sessions of the conference.
- Complimentary exhibition space size of 2 exhibition units.
- List of participants interested in new job opportunities plus candidates' schedule at VIS (e.g. talk or poster number) and copies of CVs.
- Direct point-of-contact and coordination with the Supporters Chairs for your exhibit.
- All of the above benefits are optional. Supporters are free to select any or none of the listed benefits.

Each exhibition unit includes:

10 feet x 10 feet (3 meters x 3 meters) floor space

One (1) table and two (2) chairs

One (1) 500-Watt electrical outlet

Wireless Internet access

Level of Support

SILVER

\$3,000

- One (1) complimentary full-week registration (includes reception and banquet tickets).
- Company name, logo, and URL will be listed as a Silver supporter in conference announcements, program, and website maintained at <http://www.ieeevis.org>.
- Acknowledgement of your company's contribution and offer of thanks at the opening and closing sessions of the conference.
- Complimentary exhibition space size of 1 exhibition unit.
- List of participants interested in new job opportunities.
- Direct point-of-contact and coordination with the Supporters Chairs for your exhibit.
- All of the above benefits are optional. Supporters are free to select any or none of the listed benefits.

Each exhibition unit includes:

10 feet x 10 feet (3 meters x 3 meters) floor space

One (1) table and two (2) chairs

One (1) 500-Watt electrical outlet

Wireless Internet access

Level of Support

BRONZE

\$1,500

- Reduced full-week registrations (includes reception and banquet tickets).
- Company name, logo, and URL will be listed as a Bronze supporter in conference announcements, program, and website maintained at <http://www.ieeevis.org>.
- Complimentary exhibition space size of 1 exhibition unit.
- Direct point-of-contact and coordination with the Supporters Chairs for your exhibit.
- All of the above benefits are optional. Supporters are free to select any or none of the listed benefits.

Each exhibition unit includes:

10 feet x 10 feet (3 meters x 3 meters) floor space

One (1) table and two (2) chairs

One (1) 500-Watt electrical outlet

Wireless Internet access

Level of Support

NON-PROFIT/ START-UP/ PUBLISHER/ ACADEMIC \$1000

- Reduced fullweek registrations (includes reception and banquet tickets).
- Name, logo, and URL will be listed as a supporter in conference announcements, program, and website maintained at <http://www.ieeevis.org>.
- Complimentary exhibition space size of 1 exhibition unit.
- Direct point-of-contact and coordination with the Supporters Chairs for your exhibit.
- All of the above benefits are optional. Supporters are free to select any or none of the listed benefits.

Each exhibition unit includes:

10 feet x 10 feet (3 meters x 3 meters) floor space
One (1) table and two (2) chairs
One (1) 500-Watt electrical outlet
Wireless Internet access

Level of Support

VISKids

\$500

Attending a conference is crucial for early-career researchers to disseminate their work, network with others in the field, and build visibility. At the same time, many young researchers face the challenge of balancing a career and parenthood. The VIS conference believes that child care costs should not hinder participation. The VISKids program provides grants to VIS attendees to help offset child care costs incurred while attending the VIS conference. The grants are open to all VIS attendees with priority given to those at the earliest stages of their careers.

Supporting the VISKids program is a direct mechanism to help foster and grow the VIS community and can be done as an additional level of support. All supporters of VISKids will be listed on the VISKids website and receive a supporter banner for their exhibit booth.

(<http://ieeevis.org/year/2017/info/exhibition/viskids-child-care-grants>)

Summary of Supporter Benefits

All benefits are optional. Supporters may select any or none of the listed benefits.

[illegible]

Exhibits Floor Space

Exhibits will be located in 301 A at the Phoenix Convention Center

MONROE STREET

Conference Deadlines

August 1, 2017

- Deadline for Supporter Application and Full Payment
- Deadline for company logo to appear in printed materials (high-quality vector-based image file).
- Applications received after September 1, 2017 will be accepted subject to availability

Late September 2017

- Supporter space assignments will be emailed.

Purpose

The purpose of all exhibits is to inform meeting participants of the type and nature of products related to scientific, medical, and information visualization and to provide information and explanation concerning related products and services. Appropriate product demonstrations and visuals can be used towards the stated purpose.

Space Assignments

The following rules and regulations governing the exhibit under the auspices of IEEE VIS 2017 are part of the application for space and constitute a contract between the Supporter and the Conference. They have been formulated in the best interest of the Supporter and full cooperation of the Supporter in their observance is asked. Any detail not specified is subject to decision by the Chairperson of the Conference. Each assignment of space also entails benefits from the conference. The actual nature of the benefits depends on the level purchased by the Supporter (see Levels of Support).

Space will be assigned when the Supporter has registered and returns a duly completed application along with the payment. The Conference reserves the right to modify the designated exhibit space in the event a change in the original assignment is necessary. The Supporter agrees to accept the space assigned. Space will be assigned based on the date the application is received.

Terms of Payment

Full payment MUST accompany the supporter online application. No application will be processed without remittance of full payment. Deadline for initial exhibit space assignments is 1 September 2017. A completed online application for space with full payment and all requested information must be submitted. Submission instructions

will be available through the Supporters Chairs. Payment by credit card for amounts of \$1000 or less can be processed as part of the online application form. Visa, MasterCard, Discover and American Express are accepted.

If offline payment is required, you may select between check and wire transfer in the online payment system after completing your online application. Payment by wire transfer will subject to a \$25 processing fee. Instructions for check and wire transfers will be communicated when the online application is completed. Payment must be received by September 1, 2017.

Contract for Space

The acceptance of the application by IEEE VIS 2017 and the full payment of conference support constitute a contract. A completed application for space with full payment and all requested information must be submitted by mail or facsimile. Also, a high resolution corporate logo is needed. Facsimile applications will be received but must be followed by payment by check. Telephone requests will not be honored. Depending on level purchased, Supporters will be provided one to four exhibition units. An exhibition unit is considered to be 10 feet by 10 feet (3 meters by 3 meters). Other configurations are possible. Contact the Supporters Chairs for special needs. For each exhibition unit, the Conference will furnish a table and two chairs. Supporters will be provided normal access to electrical power (subject to availability), and the wireless internet as available at the hotel. In essence, all ordinary and workstations can be supported with available internet connectivity. The Supporters should make their own arrangements with the hotel staff for needs and requirements that exceed the minimum.

Cancellations

Supporters are requested to notify IEEE Conference Management with cancellations. Cancellations are not effective until they have been submitted in writing to the Supporters Chairs. Space reductions are considered cancellations. It is understood that IEEE VIS 2017 reserves the right, at its option, to reassign a cancelled space.

Refunds

Promotion of the conference and its supporters is ongoing. Therefore, Conference Support is not refundable.

Sharing Space

Subletting of space is not permitted.

Complimentary and Reduced Registrations

Supporters given complimentary and reduced registrations will be supplied with codes that may be used at during the registration process. The registrations include reception and banquet tickets. The reduced registrations are equivalent to the early IEEE member rate.

Badges and Staffing

A confirmation email will be sent once the submitted support/exhibit application is processed. Names of appropriate staff at the exhibit can be added as needed. Each Supporter company is limited to five (5) complimentary exhibit only badges (includes coffee breaks). Supporter staff wishing to attend the conference technical program, reception(s), and/or the banquet must register for the conference at the reduced early registration fee or purchase reception and/or banquet tickets. Exhibits should be staffed during show hours. Badge exchange between exhibitor representatives is not permissible.

Operation of Exhibits

Show management reserves the right to restrict exhibits that, because of sound, method of operation, materials, content, or any other reason are deemed objectionable, and also to prohibit or evict any exhibit as a whole.

Size of Exhibits

Exhibits must be arranged so as not to obstruct the view or otherwise interfere with the displays of other Exhibitors. This restriction includes person(s), things, conduct, printed material, noise, or anything that may be objectionable to the exhibit as a whole. In the event of such restriction or eviction, neither IEEE VIS nor the IEEE Computer Society is liable for any refunds, rentals or other exhibit expenses.

Shipping Items to the Conference

Items may be shipped to the conference via Phoenix Advance Freight. To ensure proper processing, please address all materials intended for guests as follows:

SHIPPING ADDRESS:

Name (of person who will be onsite)
Company Name
Phoenix Advance Freight:
C/O Freeman / Fidelitone
6920 W. Allison Rd.
Chandler, AZ 85226

**Shipping, Receiving & Storage
Processing Fees:
Package Handling
Inbound and Outbound**
TBD

Violations

As a condition for exhibiting, each Supporter shall agree to observe all policies. Violators will not be eligible to exhibit at future IEEE VIS Conference meetings.

Insurance

Advise your agent! Insurance on all exhibits is the responsibility of the Supporter. The IEEE Computer Society will not assume any responsibility for property loss or damage to personal property, as stated in the section on Limitation of Liability. Supporters are advised and encouraged to carry insurance to cover their property against damage and loss and public liability insurance for claims of injury to the person and property of others.

Limitation of Liability

Supporter agrees with IEEE that IEEE shall not be liable for any damage or liability of any kind or for any damage or injury to persons or property during the term of this agreement, from any cause whatsoever by reason of use, occupation and enjoyment of exhibit space by Supporter or any person thereon with the consent of Supporter and that Supporter will indemnify and hold harmless IEEE from all liability whatsoever, on account of such damage, or injury, whether or not caused by negligence of or breach of an obligation by Supporter or its employees or representative.

Catastrophe

In the event of fire, strikes, or other unavoidable occurrence rendering the exhibit space unfit for use, provisions will be made for the exhibit elsewhere or a proper financial adjustment will be made to the Supporter.
